<b>I understand the process of multiplication.</b>			
<b>I can identify the factors and product in a multiplication sentence.</b>			

**4** – I can do it on my own.

**3** – I can try it on my own.

**2** – I can do some on my own.

**1** – I need help.

Date	What questions do you have?

What Did I Do to Help me Learn This Week?	Place a checkmark in the box if you did this during the week.		
I paid attention during math class.			
I asked questions if I didn't understand something.			
I completed and turned in all my assignments.			
I looked over any incorrect answers and fixed them.			
I participated in class or group discussions.			
I went on IXL and practiced multiplication.			

Date	What is my learning goal for next week?
