## Experience

### **Early Childhood Educator *Troy School District***

I supported the growth and development of students in the Great Start Readiness Program (GSRP). I developed lesson plans which aligned with the HighScope curriculum and met the needs and abilities of students. I maintained a classroom, paperwork, and student files in accordance with GSRP and licensing requirements. I planned monthly collaboration meetings for Troy GSRP teaching teams. I coordinated and led parent workshops for GSRP families. I coached and mentored new GSRP teachers, a student teacher, and CDA candidates. I led professional development on special education inclusion practices for all preschool staff.

2016-2018

### **GSRP Associate Teacher/Interim Lead *Rochester Community Schools***

I collaborated with families through parent-teacher conferences and home visits. I recorded and inputted anecdotal notes and used the student data to guide instruction. I established a shared document for all preschool staff to collaborate on lesson planning ideas that aligned with each HighScope curriculum item.

2015-2016

### **GSRP Associate Teacher *Troy School District***

I established the first GSRP program in the building, along with the support of school and district staff. I managed volunteer paperwork and maintained child records in accordance with licensing, GSRP, and district requirements.
